**Angela Reece**

I took advantage of a special offer at the moment. This is my first experience here and I really had a lovely experience at this salon. I felt listen to as an individual, I've got exactly what I wanted. Very pleased with my curls and proper manicure I would strongly recommend using this salon.

**Demi Lane**

Honestly had the best experience yesterday with kamila. I went in to get my eyebrows done. Kamila Explained everything from start to finish made me feel so welcomed and relaxed. Throughout the procedure kamila kept checking in with me to see if I was ok. I would highly recommend her to anyone. Thankyou for making my day and making me feel beautiful again I am so in love with my new brows.
